

# **2010-11 ENTRY FEE AND OPTIONAL SCHOLARSHIP PROGRAMS EXPLANATION:**

**BASIC ENTRY FEE (\$40)-** For your basic entry fee, you are eligible to receive:

**FINAL STANDING SCHOLARSHIP:** The top 1:6 finishers in each division receive a scholarship prize. Minimum prizes are \$200, \$100, \$50, \$30, and \$20 in all regular season singles events.

**PLAQUES:** Plaques go to the top 5 finishers in each regular season singles event. You may choose to receive an additional \$10 scholarship instead of a plaque.

**POINTS:** Points are earned at each event (unless posted) based on participation & performance. Points qualify you for our season-end events with increased scholarship prizes, and factor in our Bowler of the Year races. See the points flyer for complete details.

---

**The following programs are optional, meaning you are not eligible to receive these prizes unless you enter into them:**

**BRACKETS (\$2 each)-** Brackets are randomly drawn head to head matches against other bowlers held simultaneously with the regular tournament. Competition takes place during games 2-4 of the qualifying round. For every bracket you sign up for, you randomly draw a match against another bowler in your division during game two. If you beat your opponent, you advance and bowl during game 3 against another opponent who also won their first match. This continues until 2 bowlers are left in each bracket. They will play each other in game 4, with the winner of each bracket receiving a \$15 scholarship prize. **More info on brackets is available at all JBT events.**

---

**POWERBOWL TICKETS AND/OR EBONITE BALL RAFFLE TICKETS** are on sale throughout the 5-game qualifying round. Ebonite bowling balls are given away at most JBT events. PowerBowl is a chance for any bowler to get a huge scholarship bonus- the tickets you buy are for both drawings.

**Remember, you must be entered in an optional in order to win prizes in that optional. You can enter different optionals at each event you bowl. You must enter these optionals before the tournament begins.**

**Making the scholarship programs optional and separate gives you the most flexibility on what you'd like to get out of your JBT experience. We hope you enjoy!**
