

2010-11 JBT POINTS SYSTEM

Points are very important in the JBT world. Here's how you earn JBT points:

Participation- 10 points for each JBT event you enter

Final Standings- 100 Points for first, down to 10 for 25th. (1st= 100; 2nd= 80, 3rd= 70, 4th= 60, 5th= 50, 6th= 48, 7th= 46, 8th=44, 9th= 42, 10th=40, 11th=38, 12th=36, 13th= 34. 14th= 32, 15th=30, 16th= 28, 17th=26, 18th=24, 19th=22, 20th=20, 21st=18, 22nd=16, 23rd=14, 24th=12, 25th=10. Certain events, as noted on the schedules, are worth double these point values. The Invitationals are worth triple points, and the TPC is worth quadruple these values.)

High Games -25 for 1st, 20 for 2nd, 15 for 3rd, 10 for 4th, 5 for 5th. These are awarded to the high games, scratch and handicap, of the entire tournament, at no additional entry fee. Tied scores split points, rounded up.

Round by Round Leaders- 5 points per round. Most JBT events have a format that results in a leader after each round. When this is the case, the leader earns 5 points per round, so in a 'classic' format event, that's 40 points up for grabs. Ties for the lead have both bowlers getting the 5 points. Events with multiple qualifying squads award the 5 points after the leaderboard is combined.

"PBA" Dress Code Bonus- 10 points. Bowlers wearing slacks (or neat skirts for girls), plus a PBA-acceptable shirt (collared, 'mock', or brand logo 'mock T'), with their names (or college or high school) on back, receive an extra 10 points. For complete details on dress code, visit the rules section of the JBT website.

WHY POINTS MATTER:

The top 32 point scorers in each division at the end of the regular season, in each Conference, qualify for that Conference's Invitational, featuring a \$1,000 top scholarship.

The top 5 point scorers in each division going into the Invitational receive an exemption into the finals of the Invitational, guaranteeing a minimum \$100 scholarship at that event.

The top 20 point scorers in each division after the Invitational qualify for the 2011 Touring Players Championship, featuring a \$2,000 first place scholarship.

The top 60 point scorers in each division on the combined All-Conference points lists also qualify for the Touring Players Championship.

The top 12 point scorers in each division on the combined All-Conference points lists earn an exemption into day 2 of the Touring Players Championship.

Points are one of the 6 statistical factors that go into determining our Go Wireless JBT Bowler of the Year awards.

We hope you find our points system to be exciting and rewarding. Good luck!!!
