

Two great FREE programs at most JBT events:

**JBT Girls' Scratch Division** sponsored by

**#prioritygirl**  
MAGAZINE

**JBT Under-17 Scratch Division**

**EVERY** regular-season JBT singles event\*\* will feature a separate girls' title match and a separate under-age-17 title match between the two highest 5-game scratch totals, regardless of the division you're bowling the main tournament in!

**Each Conference will have its own Girls and U-17 Invitationals**, simultaneous with the regular Invitational, with \$200 minimum to the winner!

Top girls scratch and U-17 performers will compete at the JBT Girls' and U-17 Touring Players Championship!

---

### *Additional Rules on the U-17 and Girls Scratch Points System & Girls' Invitationals:*

\*\* Each regular season JBT singles event that features the same lane conditions in all divisions will award points to the top five girls and top five U-17 (any bowler age 16 & under as of 8/1/17) 5-game scratch pinfall totals, regardless of the division in which the bowler is competing, in the following system: (100, 75, 50, 30, 20), with tied bowlers splitting those point values. Best in the West, Main Event, and limited other events do not have a format (mulligan, etc) that works with this system and will not award these points. Girls and U-17 points ARE doubled in 'double point' regular events, etc.

\*\* The top 2 scores at each eligible event will then bowl a "title match" for an extra 25 points. The title matches will take place as soon as both finalists are eliminated from the regular event, pending lane availability. If one or both of the finalists is unable to bowl the title match (or one can't or won't wait for the other to be eliminated), the next highest qualifier(s) will bowl the title match, down to 5th. Ties for the top 2 spots will be broken by high game. Should a girl make both the girls scratch and U-17 title matches the same day, a simultaneous title match (3 on the pair) will be held if possible, and 2 separate matches if not.

\*\* Each conference's Girls and U-17 Invitationals will be open to anyone finishing in the top 50% plus ties of each conference's girls' scratch and U-17 point lists. The Invitationals work just like a regular U-17 / girls event, with the point values tripled.

\*\* The Girls TPC and U-17 TPC are only open to the girls / U-17 bowlers with 3 or more Girls Scratch / U-17 wins this season, and the top 15 finishers in the all-conference girls scratch / U-17 points lists. Details on the format of the Girls and U-17 TPC, which will be held at the same time as the regular TPC, will be available on the website.

**We hope our higher-average girls and U-17 bowlers will enjoy this addition to the JBT program- please spread the word, and see you soon!**
